TRADE COUNCIL
AKRON

Just about the time Senator Foraker considered himself comfortably seated in the Hanna band wagon he was ignominiously kicked out.

The League of American Municipalities has honored Mayor Young by asking him to prepare a paper to be read before its Syracuse convention next September. The Mayor addressed the League last year at Detroit and that his effort was very well received is evidenced by a second invitation to speak.

Hanna's vulgar denunciation of the independent men who have been trying to reform his party has caused a storm in Ohio politics such as it will be difficult for the boss-ridden craft, piloted by Hanna, to weather. True political reform cannot be beaten down with a club, nor its advocates disconcerted by sneers and abuse.

A DELEGATION favorable to Col. Kilbourne was elected at the Franklin county Democratic primaries last Saturday. The Columbus Press-Post insists that despite the outcome of the primaries, Congressman John J. Lentz is still a receptive candidate for Governor, and that the state convention alone is "competent to pass upon the relative merits of Messrs. Lentz and Kilbourne, as presented by their friends."

LOCAL Republican politicians are making a forlorn effort to decide the contest for the Senatorial nomination by arbitration. Both Col. Sieber and Senator Alexander have well-matured ambitions to wear the toga, and this attempt to settle matters by arbitration is nothing if not unique. In the Democratic party such a contest would be determined by the people. But since Republican differences are not settled that way, why don't Messrs. Sieber and Alexander appeal at once to the only authorized supreme court of party authority, to the Hon. Marcus A. Hanna?

ADMINISTRATION organs, led by the Chicago Times-Herald, and urged on by Senator Hanna, have begun an organized attack upon Senator Foraker's record as a public officer and politician, for the purpose of retreating him to private life. Foraker is now paying the penalty of his fatal hesitation two years ago, when a word from him would have made his own following supreme in the Republican party of Ohio by the defeat of Hanna for Senator. But Foraker hesitated, and the man whose political future he had it in his power to make or unmake now overmatches him in political strength and is determined upon his undoing.

IN MEMORY

Of Departed Members of Their Order.

Beautiful Services at the High Street Temple Sunday.

The first annual memorial services and thirty-fourth anniversary service of the Akron Knights of the Maccabees was held Sunday at 2 o'clock at the High Street Temple.

The interior of the edifice was most beautifully decorated with evergreens, palms and plants. Red, white and black bunting, the colors of the order were quite conspicuous in the form of a canopy.

The memorial sermon, "The True Philosophy of Life," was delivered by Rabbi S. E. Philo in an interesting and eloquent manner.

Addresses were made by Sir Knights Auditor L. E. Sisler and Mayor W. E. Young. Selections by an orchestra composed of Messrs. Mottinger, Grove, Caskey and Sigel, opening and closing odes by the K. O. T. M. band, hymns by the choir, solos by Messrs. E. A. Upham and Bruce Wilson and the memorial service by the orchestra, choir and Rabbi Philo constituted the exercises.

The services Sunday were held in memorial of the following departed brothers and sisters:
Akron tent, No. 128—Sir Knights A. G. Spidel, H. E. Sears, C. Roundy, F. M. Becker, Wm. Mueller, J. Street, Mr. Rockwell; Tip Top tent, No. 242—Sir Knight James W. Gormley; Busy Bee Hive, No. 35—Jennie Rouch, Mary Cramer, Fina L. Purdy; Kate Byers, Lucy Kauth; Protection Hive, No. 60—Magdalena Kidder, Mary Jones, Ida Alderfer, Jennie Renner Taylor, Lucy Hart, Sarah Mooney, Elsie Marquis.

Modern Women of America.

Security Camp is in a fine condition and is taking in members at the rate of three per week. The M.W.A. is the largest fraternal insurance society in the United States, and one of the cheapest. Plenty of work for next Tuesday night, so turn out and help to do it.

W. V. R. U.

Lincoln Union held a very interesting meeting in their hall Thursday. There were a good many sisters present. Two more applications were asked for and granted. The ladies of the W.V.R.U. will give an ice cream, cake and strawberry social at Mrs. Chas. Rodenbaugh's, 201 Carroll street next Wednesday, and all the sisters are requested to furnish cake.

I. O. F.

Court Pride will meet Friday evening. Let every member be present, as business of great importance will be brought before the order. Four applications will be presented.

The Pathfinder.

A large delegation from Glenville visited Akron lodge last Monday evening, giving an entertainment for the Akron lodge which was highly enjoyable to all present. A substantial lunch was given the Glenville party.

A large lodge will be instituted in Shelby, Ohio, within a few days.

A large lodge was instituted in Anderson, Ind., last Monday night. Supreme Medical Examiner Jacobs was in Columbus last week attending the national convention of physicians.

Deputy Freeburg is again at work in Cleveland and is meeting with success.

The team from Akron lodge visited the lodge in Warren last Thursday night. Akron lodge will meet tonight. Several applications will be read and five are to be initiated. Other business of importance will be transacted that will concern all. There will be election of officers, with lots of good timber to pick from, and as we want the best set of officers we urge all members to be present. The picnic season has opened. Let us start the movement for a rousing union picnic to be held in the near future. What sick we have are all getting along nicely. Come one and all and have a good time tonight.

Knights and Ladies of Security.

Summit lodge will meet Wednesday at 7:30. All members are invited to attend. The new badges have arrived and they are beautiful. As there is important business at hand, it is advisable for every member to be at the hall.

Ladies Aid Society of V.

Attention! A very important business meeting is to be held this Tuesday. Discussions will arise which need the opinion of every member. Come and you will see the usefulness as well as the beautiful effect of our new balloting system, as an application is ready to be acted upon. We expect this Tuesday to be a rally day, a meeting that will bring the members together for the summer work. Be at the hall by 7:30 p.m. so as not to miss roll call.

O. R. C.

Star and Crescent Commandery had an unusually large attendance at last meeting. After the business meeting the team drilled for an hour while other members enjoyed an hour of social talk. One member was

reported sick and one death occurred since last meeting. The membership is increasing by application and the prospect for the commandery is most encouraging. Through some mistake the idea has gone out that the funeral benefit of \$30 had been suspended, which is not true. Two orders for \$30 each were drawn at last meeting. New regalia has been furnished.

CONDUITS

Laid by the Akron People's Telephone Company.

Line of the Pipes From Mill to Market Streets.

The Akron People's Telephone company commenced active operations on the construction of its system Saturday evening at six o'clock.

A gang of 100 or more men was started to work in Bank alley. In a remarkably short time a trench had been dug from Mill to Market streets. In this eight conduits were placed. These will take care of 800 telephones. The wires from all the business houses on that block will run through the conduits. By Monday morning the alley had again been opened for traffic. The pipes of the East Ohio Gas company were placed in the same trench, above the conduits of the telephone company. It was necessary to do the work on Sunday, in order to avoid closing the alley for business.

No attempt was made by the Central Union Telephone company to interfere with the work. It had been rumored that as a last resort this company would seek an injunction on the ground that the franchise of the Akron People's Telephone company was illegal. By doing this it was hoped to delay work temporarily. There is no doubt as to the validity of the ordinance granting the independent company the right to use Akron's streets.

The work of conducting will now be pushed forward as rapidly as possible until the entire system is complete.

STRAWBERRY CROP.

Sales This Year Surpass All Previous Records.

"The strawberry crop this year has been something remarkable," said a downtown grocer this morning. "The berries are particularly fine, and there never was a better demand for them. On Saturday evening I sold 15 bushels. My strawberry trade this year will amount to almost \$800. The season this year will be about three months. Last year I sold about \$600 worth of the luscious fruit."

There are over 140 retail grocers in Akron. Suppose they all did that well. At the end of the season the receipts from all the berries sold would aggregate about \$12,000, or about one-fourth what it will cost Mark Hanna to run the state campaign this fall.

Drink Grain-O

After you have concluded that you ought not to drink coffee, it is not a medicine, but doctors order it because it is healthful, invigorating and appetizing. It is made from pure grains, contains the richest brown color and tastes like the finest grades of coffee, and costs about one-quarter as much. Children like it and thrive on it, because it is a genuine food drink, containing nothing but nourishment. Ask your grocer for Grain-O, the new food drink. 15c and 25c.

COMPANY DRILL.

Large Crowds Witnessed the Sons of Veterans Movements.

A large crowd was at Randolph park Sunday to witness the drilling of the Sons of Veterans rifles. Company drills were held both in the forenoon and afternoon on the ball grounds.

The drilling was done by Lieut. Arthur L. Conger, of the 18th U. S. Infantry, who is now home on a furlough. He was to have addressed the Sons of Veterans in the afternoon, but instead gave them another drill.

Saturday afternoon at 3:30 the company left the city and marched to the park. But two stops were made—the first after North Hill had been climbed, and the second at Cuyahoga Falls. The journey was made in about two hours. Lieut. Conger marched with the company, about 40 members of which were in line.

Saturday night the company slept in camp at the park. All returned to the city in the cars Sunday evening.

The display of fireworks given in Crystal Lake Saturday evening was beautiful and unique. All who witnessed it were delighted.

Contrary to all expectations, the wage question between the company and employees of the A.C.F.R.T.Co. was not settled Saturday evening. The arbitrator, Lorenzo Orr, and the executive committee, Frank E. Welton and John B. Fitzgerald, could not agree on terms of settlement, but instead, agreed to leave the matter to three disinterested parties.
